Posada

Last year I wrote and told you about how my family played host the Holy family in our home for a few days during Advent as part of the Woking Methodist church annual Posada.

The tradition of having the figures of Mary, Joseph and a donkey travelling from home to home during Advent is becoming more and more popular in our country. The tradition originated in Mexico where it is called a *posada*. Posada means Inn.

Since last year, our lovely friend Daphne Platt from the Addlestone Church has knitted our church a Holy Family. (see photo above)

From 1st December we are looking for church members to host the family in turn – there is still no room at the Inn! The family are accompanied by some suggested readings and prayers to follow during their time with you. They need to be brought to our church on Christmas Morning.

You will need to arrange handover/ transport of the family to the next hosts.

Please see Linda if you are willing to provide shelter for the Holy family during this Advent period.

REVERSE ADVENT

Following last year's successful support of this initiative by our church members, and indeed some of the people who visit our premises during the week, we will once again be supporting the 'Reverse Advent' programme.

This year we are suggesting that rather than everyone bringing a box of 24 items, we will have one big box/Hamper at church and we invite all

members to place as many items as they feel able into this receptacle during December.

Remember that in addition to items of food, toiletries, nappies, washing powder, sanitary wear are all vital items.

Please give generously to those for whom Christmas may not be such a joyous occasion.

**For I was hungry and you gave me something to eat,
Matthew chapter 25, verse 35**

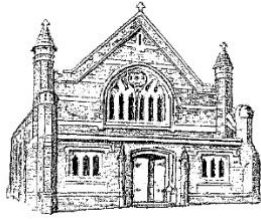

Christmas Lunch

On 15 December our Christmas Communion service will be led by Rev Sydney Samuel Lake.

This service will be followed by our annual family Christmas lunch.

Please let Carol or Linda know if you will be able to join us on this date and also if you are willing to contribute to the menu (once we have decided what it will be).

The Stained Glass Window

By David Smith

You can go into a church or cathedral
And the walls can be quite bare when you walk around
You come across a bright light, a sort of glare,
And behold, it's a great stained glass window, shinning there.
With its rich colours coming through
Greens, yellows, reds and blues
All seem to be shinning at you.
No artist can paint it or come anywhere near,
A photo won't do at all,
In fact words on paper don't stand a chance,
You only have to walk by and glance,
As I say you are in a state of trance.
You're in sheer utter bliss,
To look at something as beautiful as this.
Spellbound, a joy to behold,
When you walk around the outside
There is really nothing to see,
Just a stained glass window, whoopee!
It's like a lot of things I life
You have to be in front of it, to see true beauty
It does not matter what story is being told,
Could be saint or sinner,
Just the whole window is a winner.
Ture you can get a sense of peace and calm
So please so and see a stained glass window
And take in what you can see
I'm sure it's not just me.
